

Dear Parents,

It is our pleasure to have your son/daughter with us this year in our first youth sports camp. Our theme this year is “Eyes on the Prize”. We will try and teach the campers how to set their eyes on the ultimate heavenly prize and not winning the game.

Alpha and Omega:

Campers are divided into two competing teams: Alpha and Omega. Alphas wear red T-shirts and Omegas wear blue T-shirts. They will still compete in their age specific groups.

Camp Benefits:

- They will have the chance to practice one of three sports.
- The kids are taught some practical principles of life through experiential learning games and activities.
- The kids learn how to express their feelings and share their daily problems through discussion groups.
- They will get to face their fears by climbing the High Tower, sliding down the Zip Line, and going through the Low & High Ropes Courses.

Do's and Don'ts:

Do's

PLEASE:

- Inform us if your son/daughter suffers from any medical condition (e.g. allergy, diabetes, psychological) or uses any medication periodically.
- Send the appropriate sportswear with your son/daughter.
- Provide them with their water bottles or energy drinks.
- Enforce following the rules.

Don'ts

- All electronic devices are not allowed during the camp, (e.g. mobile phones, cameras, I-pods, etc...).
- The Camp will provide campers with snacks at specific times; therefore it would be appreciated not to send any candy with them because it will be taken from them.
